Match Ball Firenze achieved a historic feat, returning to the Serie A1 final almost thirty years after their last championship win.

Match Ball Firenze achieved a historic feat, returning to the Serie A1 final after nearly thirty years since their last title. After drawing 3-3 at home in the first leg of their semifinal against Selva Alta di Vigevano, the Bagno a Ripoli club managed to win 4-2 away. It was an extraordinary day for Match Ball, who took to the courts with one goal: reaching the final. The match was played on the hard courts of Vigevano and in front of a raucous crowd. The first four singles matches all ended in the third set, with three wins for the Fiorentina team, led by Francesco Caforio and Daniele Capecchi.

In the first match, Florentine Gianmarco 'Gimbo' Ferrari prevailed over Marco Trungelliti 1-6, 6-3, 7-6; then Lorenzo Sciahbasi defeated Davide Dadda 6-7, 6-4, 6-4 in the third set to make it 2-0 in favor of Match Ball. Dalibor Svrčina, ATP 85, found the 1-2 against Martin Tiffon 3-6, 7-6, 6-1. Andrea Meduri performed fantastically, defeating Filippo Baldi, formerly of APT 150, 7-6, 2-6, 6-3 after 2 hours and 11 minutes of play for a 3-1 lead. At this point, another point with two doubles available was needed to reach the final at Match Ball. Tiffon and Meduri

played a perfect match against Baldi and Trungelliti, closing out the match 6-3, 6-2, and Florence flew to the final. In the other match Ferrari and Sciahbasi were ahead of Ocleppo and Beraldo, but they retired.

Match Ball Firenze vs. TC Massa Lombarda (Sunday, December 7) will be the Serie A1 team championship final on neutral ground in Turin. Massa Lombarda defeated TC Santa Margherita Ligure in the other semifinal. "We're thrilled because reaching the final was something extraordinary for a newly promoted team," explained presidents Roberto and Leonardo Casamonti. "The dream continues."
